MINISTRY OF COMMERCE

PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 3rd July 1968

SUBJECT.—Import of raw materials, components and spares by actual users in the small scale sector during April 1968—March 1969—Amendment to the Import Trade Control Hand Book of Rules and Procedure, 1968.

No. 124-ITC(PN)/68.—Attention is invited to sub-paragraph 80(3)(c) in chapter IV of the Import Trade Control Hand Book of Rules and Procedure, 1968, wherein it is stated that in the case of items for which the requirements are to be met by actual users through an approved agency such as the State Trading Corporation, the sponsoring authority will recommend a licence only if the said agency is not in a position to supply the goods within a reasonable period, and that a certificate to this effect will also be given by the sponsoring authority in his recommendations for the licence.

Under the current import policy, direct import licences are not issued in cases where the requirements of the applicant unit in respect of the goods applied

for, are to be met through an approved agency such as the State Trading Corporation or the Minerals and Metals Trading Corporation. In view of this position, the said sub-paragraph 80(3) (c) of the Import Trade Control Hand Book of Rules and Procedure, 1968 may be deemed to have been amended to read as under:—

"(c) If, under the relevant import policy in force, the requirements of an applicant unit in respect of any item(s) are to be met through an approved agency such as the State Trading Corporation or the Minerals and Metals Trading Corporation, the sponsoring authority will indicate separately the value recommended for each of such items. For these items, direct import licences will not be issued to the applicant unit concerned, and the licensing authority will consider issuing 'release advice' to enable the applicant unit to obtain his requirements through the approved agency."

3. An illustration of cases of this type occurring in the current import policy, is that pertaining to the requirements of units engaged in industries other than the priority industries, in respect of non-ferrous metals.

P. D. KASBEKAR,
Chief Controller of Imports and Exports.
